Committee Reports

Farmington Community Development Committee January 24, 2019 at City Hall

Attendees: Denis Patrick, Sherri Ganz, Adam Persenaire. Sally Zelinka, Chad Ball, Ernie Penn, Josh Frye & Diane Bryant

The Farmington Economic Development committee will now be called the Farmington Community Development Committee to more accurately reflect our focus on developing community spirit.

The meeting began at 12:15 after a brief time to eat our lunch and visit. We discussed the progress of a trail- head on the western side of Kessler Mt. which would be easily accessible to the residents of Farmington. There was a 40-acre tract of land that was recently purchased by the Walton Foundation. It most likely will be developed into bike and hiking trails. Roads are not accessible to this property currently. It would be desirable if the City of Fayetteville, the Walton foundation and the county developed roads to the location to allow access to resident to the mountain from the western side.

The committee next explored connecting with the walking- biking trail system in Fayetteville. The Fayetteville trail system will be very close to Farmington boundaries since it runs behind Williams Elementary and the new maintenance building on Broyles St. It is our desire to connect with Matt Mihalevich, the Fayetteville Trail Coordinator, and discuss the possibilities of connecting with the Fayetteville Trails.

The committee feels we need a new master street and trail plan so we can communicate with the Walton Foundation to assist us in the process. This will be helpful document to present our concept to the community and to organizations from whom we might receive grant funds.

2019 State of the City Address

It is my honor tonight to present the State of the City Address.

I would like to begin by thanking the City Council, Elected Officials, Planning Commissioners and employees of the City for your continued dedication and Commitment to make Farmington a better place to live.

I am pleased to report that our City is financially sound and we have maintained excellent cash reserves. Our City and County sales taxes continue to increase each year and this allows our City to have funds to support the expansion of our City services, for capital improvement projects to begin and be completed without interruption. Our City will continue to budget very conservatively regarding income growth and maintain a tight control regarding operating expenses for each department.

Our City will have several Capital Improvement projects to begin and be completed in 2019.

- 3rd Phase of Hwy 170 expansion consisting of Right of Way acquisitions and utility relocations should be completed in late 2019
- New Public Works building will be completed and ready for occupancy in March 2019
- Creekside Park Improvements will be completed by June 30th, 2019.
- Double Springs Widening and Drainage Improvements from Hwy 62 to Rheas Mill Road will be placed for bid and completed by September 2019.
- Drainage Improvements on Garland McKee Road and Meadowsweet Subdivision
- Expansion of the City Library
- Expansion of the Police Department area of City Hall
- Complete overlay and repair of Clyde Carnes Road

Our City continues to experience growth in our Residential and Commercial areas of our City. I am excited and encouraged about businesses who have located in our City and others who have expressed an interest to expand or relocate to Farmington. In 2018, our City issued 82 new residential building permits and 11 Commercial Building permits with a total valuation of \$224 Million.

Our Residential growth is still very active with 182 residential lots available and/or in construction with new homes and another 75 lots approved or proposed. This growth exhibits the confidence that builders have in our City and our School System.

With the expansion of Hwy 170, the future growth pattern will be in the land areas surrounding our new High School, Basketball Arena and Performing Arts center. This area will include a new Football Stadium, Track and Indoor practice facility that should be finished by July 2019.

With the Commitment from our City Council, our Fire Department will have 2 full time firemen on duty ,24/7 , 365 days a year along with their regular volunteers. Our Police Department will grow in personnel in 2019 with 2 new full time patrolmen along with a new SRO for our school. The strength of our Public Safety departments will give our residents added security that Farmington is a safe place to live.

I think it is imperative in 2019, that our City continue to make a commitment to work with our School, Chamber and Civic organizations to help build Farmington into a more attractive place for families and businesses to locate.

In closing, I would like to thank the citizens of Farmington for their continued support of our City. I am very proud and honored to be your Mayor and I pledge to work hard each and every day to make Farmington a better place. God has blessed our City and we should be thankful every day for these blessings. I look forward to very successful and prosperous 2019 for the City of Farmington.

Mayor Ernie L Penn

Re: Request approval of Contract with Area Agency on Aging of Northwest Arkansas for 2019

Date: February 11, 2019

Recommendation

City staff recommends accepting the Contract between the City of Farmington and the Area Agency on Aging of Northwest Arkansas

Background

In 2018, The City of Farmington entered into a contract with the Area Agency on Aging of Northwest Arkansas to provide \$25,000 to support the Farmington Senior Center and programs needed for the Farmington Center

Discussion

This request is for approval for the same contract in support of the Farmington Senior Center for 2019.

Budget Impact

\$25,000 This was included in our 2019 Budget that has been approved by the Council

AGREEMENT

Between the City of Farmington and the Area Agency on Aging of Northwest Arkansas

WHEREAS, the City of Farmington owns and maintains the Farmington Senior Center (hereinafter the "Center"), for senior citizens, city functions and for Farmington citizens to lease as a venue for social activities; and

WHEREAS, the Area Agency on Aging of Northwest Arkansas (hereinafter "AAA") operates Meals on Wheels through the Center and provides transportation and recreational activities for Farmington citizens; and

WHEREAS, it is the goal of both parties to work in cooperation to enhance the programs offered by the parties and participate together to meet the needs of the citizens of Farmington; and

WHEREAS, it is the best interest of the City of Farmington and its citizens to provide funds for the AAA, in conjunction with the city's obligation to maintain the Center, ion consideration for the transportation and recreational programs AAA provides the senior citizens of Farmington.

NOW THEREFORE, IT IS AGREED:

The City of Farmington shall provide the sum of \$25,000 to the AAA for the calendar year 2019 in consideration of the following obligations to be performed by the AAA:

- A. The sum of \$10,000 will be dedicated to augment the Director's salary at the Center.
- B. The sum of \$10,000 will be dedicated to the transportation program to facilitate the needs of Farmington citizens;
- C. The remaining \$5,000 is to augment the cost of an exercise instructor to provide a wellness and exercise program at the Center.

Re:

Request approval of Concessionaire Contract with Farmington Booster Club

Date: February 11, 2019

Recommendation

City staff recommends accepting a contract with Farmington Booster Club to operate the Concession Stand at the Farmington Sports Park during the 2019 Baseball/Softball Season with a Waiver of the rental fee.

Background

Each year our City solicits bids for the operation of the Concession Stand. It has become very difficult to obtain bids from interested parties for the operation of the Concession Stand. After talking with other Cities, they have had the same issues trying to get a qualified operator for their Concessions. The City has been contacted by the Farmington Booster Club to operate the Concession Stand as a fund raising source for the Booster Club. This would assist them in raising money to support the sports programs within the Farmington School. They have requested that the City waive the 10% fee of their Gross sales for rent. This waiver would allow them to have more funds to use for the benefit of the children in Farmington Schools.

Discussion

The Farmington Booster Club is a fund raising entity for the School's athletic program. I believe that the waiver request for the rental fee is warranted since it will directly benefit the children in Farmington School. This club is a non-profit entity and all of the members are volunteers.

Budget Impact

\$1500 (Loss of revenue) This is the amount of revenue that has been received from the previous year from the rental of the concession stand.

Agenda Item 15

Farmington City Council Members, Submitting for your consideration updates to the Farmington Ball Complex rental fee schedule to maintain current market prices for field rental. Attached you will find the rental agreement; Changes that have been made are: 1-All single day field costs increased from \$110 to \$125 per day. This cost includes lights. 2-Hourly fees increased from \$60 for "up to 6 hours" to \$20 per hour 3- Bags of chalk increased from \$6 to \$9 in excess of the 3 bags included in the rental price. 4-Bags of field dry increased from \$9\$ to \$15 in excess of the 3 bags included (if needed) in the field rental price. All of these prices have been researched, and reflect current market prices. Thanks for your consideration, Laurie Adkins Facility Manager/Programs director **Farmington Sports Complex**

Farmington Sports Complex Rental Information/Agreement

The City of Farmington has established fees to defray maintenance and operational costs. The Facility Manager/Program Coordinator, with the approval of the City Business Manager, is responsible for executing these guidelines for usage of the Farmington Sports Complex.

All City Ordinances Apply To All Park Facilities

Rental Polices:

Reservations are made by contacting Farmington Parks and Recreation Department. Reservations must be made no less than two (2) weeks or no more than eight (8) months in advance, unless the Facility Manager/Program Coordinator grants prior approval. Reservations are made on a First Come, First Serve basis.

Maximum of 40 teams allowed per tournament/event.

A non-refundable deposit & key/trash deposit along with completed paperwork will be required.

Farmington Parks and Recreation only accepts the following forms of payment:

- -Check
- -Money Order

The renter will receive his/her key/trash deposit back in approximately two weeks after event date. The key/trash deposit will be refunded provided the facility was left clean (trash picked up off ground around/under bleachers, in dugouts and parking lot) and there were no damages. The key/trash deposit will be refunded to the name on the check, or money order.

In the event of cancellation, Farmington Parks and Recreation requires at least 48 hours' notice in order to receive refund of security deposit. If cancelation is made less than 48 hours security deposit will not be refunded.

Office hours for reservation are 8:00-5:00, Monday-Friday

Concessions: The City contracts out their concessions. Staff will be on site for each event.

The City of Farmington (CITY) shall approve and may oversee all tournaments/events conducted on park grounds.

- A. The CITY may approve the final tournament schedule.
- B. The CITY will make sure all financial matters are completed.
- C. The CITY will provide 1-2 personnel on site throughout the scheduled tournament/event date to help chalk and water. Dragging of the fields will be done at the end of each night.
- D. The **Hosting Group** is responsible for all facets of running the tournament/event including, but not limited to:
 - 1. Scheduling teams, umpires, scorekeepers and gate workers, awards and all financial responsibilities.
 - 2. Clean-up of usage area: Trash clean-up is defined as ground/bleacher trash around playing fields, dugouts, and general areas adjacent to usage areas. The **CITY** will be responsible for taking out the trash bags in the cans provided.
 - 3. Field maintenance, such as raking, and chalking in between games will be left up to the **Hosting Group**.
 - 4. The **CITY** will provide 3 bags of chalk per tournament/event. Additional bags can be added at the prices listed on page 3.
 - 5. A tournament/event director and/or appointed representative must be on site **AT ALL TIMES** while games are being played/event is happening, including at least one-hour prior to start time for day.

The CITY reserves the right to cancel parts or all of a tournament/event for any of the following reasons

- Weather Conditions
- Scheduling Conflicts
- Field Conditions

The **CITY** will prep fields for a Friday night tournament or a Saturday tournament on Friday morning. Gates will be locked each night prior to tournament play in order to keep people off prepped fields. The **CITY** will drag and prep fields at night for play the next day. (i.e. Saturday night for Sunday games)

The **CITY'S** on-site staff will take care of trash removal from the cans provided, and make sure bathrooms are kept up. It is the **HOSTING GROUP'S** responsibility to pick up group trash, in and around bleachers and in the dugouts. If facility is left with any trash on the ground, including dugouts and bleachers, then the deposit will not be returned.

Full Payment will be required three (3) business days after tournament/event is held unless prior arrangements have been made. No payment will result in loss of security deposit and key/trash deposit and possible legal action. Checks can be made payable to City of Farmington.

Hold Harmless Clause:

The City of Farmington shall not be liable to users, employees, agents, invitees, licensee, visitors, or to any other person for injury to person or damage to property on premises caused by the negligence or misconduct of user, its agents, servant or employees, or of any other person entering upon the premises under express or implied invitation by user. The event producer agrees to indemnify and hold harmless the City from any loss, attorney's fees, and expenses or claims arising out of any such damage or injury. The City reserves the right to revoke this application at any time.

From: BRIAN HUBBARD, CHIEF PURCHASE OF NEW UNITS

Date: 02/11/2019

Recommendation

Request the approval to purchase two new 2019 Dodge Charger's and necessary equipment to outfit both units.

Background

As the city grows, our police department grows with it. We need additional units to help patrol and safe guard the city and the residents that reside within it.

Discussion

Adding two additional patrol cars will keep fresher vehicles on the street with fewer maintenance issues. These two new vehicles are a budgeted item.

Budget Impact

\$72,000.00

Agenda Item 17

EMPLOYMENT CONTRACT

This Contract made as of the 11th day of February, 2019, between the Farmington Public School District (the "Farmington School") and the City of Farmington, Arkansas (the "City").

WHEREAS, the Farmington School desires to employ one (1) City police officer as a School Resource Officer (hereinafter "SRO") for the period and upon and subject to the terms herein provided; and

WHEREAS, the City is willing to provide a police officer for the Farmington School upon and subject to the terms herein provided;

NOW, THEREFORE, in consideration of the premises, the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the parties hereto covenant and agree as follows:

- 1. Term of Employment: Compensation. The Farmington School agrees to employ one (1) City police officer for position of SRO from the date hereof as an employee through June 30, 2019. The Farmington Schools will reimburse the City for Eighty percent (80%) of the total payroll cost of each SRO provided by the City, including payroll and withholding deductions as required by law and such other payroll deductions, as may be determined by the City.
- 2. <u>Position and Duties</u>. The City police officer shall fulfill the position of School Resource Officer and shall have the duties normally ascribed to those positions and as assigned to them by the Farmington School Superintendent and the Farmington Chief of Police. The SRO shall devote substantially all time, labor, skill, undivided attention and his or her best abilities to the performance of prescribed duties hereunder in a manner which will faithfully and diligently further the interests of the Farmington School and its student body.

3. Policy and Procedures

It is further understood and agreed as follows:

- a. The SRO will be under the direct supervision of the school superintendent and general supervision of the Farmington Chief of Police.
- b. Because school functions such as ball games are after school hours, it will be the responsibility of the SRO to adjust his/her work schedule so that he/she can attend the home games.
- c. No overtime pay or compensation time will be authorized without prior approval by the Farmington Chief of Police.
- d. The SRO will take his/her vacation during school Spring break, Christmas vacation, or during the Summer while school is out for Summer break unless approved by the Farmington Chief of Police.
- e. The SRO will keep the Farmington Chief of Police updated daily of any problems and/or activities involving the SRO in his/her job duties.
- f. During the school day, the SRO will be on call to backup other police officers or respond to calls if he/she is the only one presently in the City at the time of the call. The SRO will be notified if he/she is to be on call.
- g. The SRO will dress in full class A uniform, or assigned uniform by the Farmington Chief of Police. During Spring and Fall seasons the uniform may be a more relaxed look, such as shorts and golf type shirts.
- h. The Farmington Police Department will furnish a patrol vehicle for patrol of school grounds for SRO use.
- 4. Entire Agreement. This Contract contains the entire agreement between the Farmington School and the City with respect to the subject matter hereof and there have been no oral or other agreements of any kind whatsoever as a condition precedent or inducement to the signing of this Contract or otherwise concerning this Contract or the subject matter hereof.
- 5. Amendments. This Contract may not be amended, nor shall any waiver, change, modification, consent or discharge be affected except by an instrument in writing executed by or on behalf of the party against whom enforcement of any waiver, change, modification, consent or discharge is sought.
- 7. Governing Law. This Contract shall be governed by, construed and enforced in accordance with the laws of the State of Arkansas.

IN WITNESS WHEREOF, the parties have executed or caused to be executed this Contract as of the date first above-written.

Mark Cunningham Fire Chief

January 2019 Monthly Report for Mayor and City Council

The fire department responded to over 82 calls during the month of January which is exactly the number we had last month and which is above average for all of last year.

January was a usual January we always seem to have more calls in this month and I don't know exactly why except everything is still dead and will burn a lot faster. We seem to also have more medical calls when it is so cold, mostly elderly people have a lot more problems when it is cold.

In January we started a new chapter in our fire department in that we have two firefighters on duty at all times. The fact that we have two different guys living here for twenty four hours presents a few new problems to work through but everything is going well with ongoing changes that we have make to adapt to the new challenge's that we are being faced with. Then you have different personalities to adapt when dealing with the other shifts, but all in all it is great and I can't thank you enough for fulfilling the need to have at least two firefighters on duty at all times to make our city safe.

The community had a benefit for my son Bret's daughter Cloie that had been diagnosed with rheumatoid arthritis and was in a lot of pain and having seizures. This was held at the fire station and it was packed, and I can't say enough about our community that all came together and raised \$15,000 to help with medical bills and to help send her to Boston to see several specialists there, we are so blessed.

Thank you as always for your continued support of the fire department;

Mark Cunningham Fire Chief

Planning Commission Minutes November 26, 2018

1. ROLL CALL - Meeting was called to order by Chairman Robert Mann. A quorum was present.

PRESENT
Robert Mann, Chair
Toni Lindsey

Gerry Harris
Judy Horne
Howard Carter
Chad Ball
Bobby Wilson

Jay Moore

City Employees Present: Ernie Penn, Mayor; Melissa McCarville, City Business Manager; Steve Tennant, City Attorney; Rick Bramall, City Inspector, Chris Brackett, City Engineer

- 2. Approval of Minutes: October 22, 2018 Minutes were approved as written.
- 3. Comments from Citizens: Jim Duffy 11324 Frisco Dr. (Valley View) Mr. Duffy was concerned that flooding will be made worse on his property that is adjacent to land recently rezoned R-1 for a new development. He also was concerned for residents on Riviera where flooding has occurred before. There is a detention pond in the area that is not being maintained and "is a mess." The City has received a grant for a water study to be done in that area and he asked the City to not approve any developments in that area until the flooding issues are fixed. Property values have decreased because of repeated flooding.

When Gerry Harris asked if the golf course owner had been contacted about the pond, Mr. Duffy said owner had been contacted but did nothing about it.

Jeff Oxford - 79 Jeannie: Mr. Oxford is president of the Farmington School District. He stated that he appreciates the City for the job they are doing. The school district is expanding and there are needs for new housing. Any growth in new school students means an increase in revenue for the school district.

Public Hearing:

4A. Final Plat for Farmington Heights Phase I, located at W. Sellers Rd.; property owned by Indian Territories, LLC presented by Ferdie Fourie of Civil Design Engineers, Inc.

Ferdie Fourie said the preliminary plat had been previously and there are no changes.

Public Comment: None

Comments from the City: Chad Ball was concerned about postponing the park construction of Phase I until Phase II is constructed since its completion time is unknown. Mr. Fourie estimated first homes in this development will be built by June or July 2019. As soon as Phase I is completed, they hope to begin Phase II.

Melissa McCarville noted that they must post bond before work begins on Phase I and if they do not complete the park work, City can do it. After much discussion it was mutually agreed that developer will go ahead and put in minimum requirements for the Phase I park area now.

Chad Ball inquired about street lights and Melissa said maintenance will be the City's responsibility; Melissa also said City can place "no parking" signs to restrict street parking.

City Engineer Chris Brackett presented a memo with conditions that must be met for Commission approval:

- 1. The required essential landscaping and infrastructure for the park must be completed prior to signature on the final plat or these improvements must be bonded.
- 2. The park must be deeded over to the city prior to any building permits being issued for the subdivision.
- 3. The developer has naming rights for the park, subject to the approval of the Planning Commission.
- 4. A one-year Maintenance Bond to the City of Farmington for all public improvements with the exception to the water and sanitary sewer improvements must be provided prior to the signatures on the Final Plat. The engineer must submit an itemized cost of these improvements for approval prior to obtaining the bond.
- 5. If the sidewalk construction is to be delayed until the home construction, then the developer shall provide an escrow account in accordance with Ordinance No. 8.1(C), 3(A). The engineer shall provide a cost estimate for the construction of the sidewalk for approval.
- 6. If the installation of the Street Lights has not been completed at the time of Final Plat signatures, then the developer shall provide the paid invoice from the electric company for these lights.
- 7. Provide one original and 6 copies of the recorded plat to the City.

Robert Mann called the question to approve the Final Plat for Farmington Heights Phase I. Upon roll call, the ayes were: Howard Carter, Jay Moore, Bobby Wilson, Judy Horne, Gerry Harris and Chad Ball absent; Toni Lindsey. Motion passed unanimously.

4B. Rezone request from R-1 to R-3 for 65 N. Double Springs Rd (Engles Park Subdivision); property owned by D & B of Northwest Arkansas as presented by Geoff Bates:

Wade Williams- Attorney for D & B of Northwest Arkansas was present to discuss the request. Robert Mann opened with the clarification that at this time they are only considering the rezoning of the land, not the preliminary plat.

Bobby Wilson noted that this had been presented to the Planning Commission before, was approved, and then sent to the City Council where the rezoning request died for lack of motion by the Council.

Gerry Harris expressed concerns about the 35' frontage requirement and although that is not what is being proposed by this developer, if development was not done and another developer put R-3 homes on this property, they could use the 35' requirement. She reminded Commissioners that there have been times where property was rezoned and then the development was not done and something completely different was put in the rezoned area.

Public Comment: Barbara O'Brien - 336 Ridgedale pointed out that the first notification was not correct, but was corrected later; she felt this mistake was not appropriate. She said a rezoning is to act as a buffer or transition to a different zoning. However, this rezone will be spot-zoning by putting R-3 in the middle of R-1. There is no harmony with that change in zoning. She was very concerned that traffic and noise will become part of this new development while people living in the area wish for quiet and stability. That is why they chose to live in Farmington. This was verified when the Enterprise Leader did a survey of residents in that area last year. It was unanimous that the citizens wanted to preserve the country feel and asked for it to stay R-1. This rezoning will change the character of the neighborhood.

Jessica Collins - 63 Sugar Pine: stated that added growth for the sake of growth is not what Farmington needs. She chose to move to Farmington to enjoy the country feel and it "feels like home". She was also very concerned her yard will no longer be safe for her children to play without supervision. Finally, she also had great concerns about traffic congestion.

Lee Lind - 97 Kimberly: He suggested that if this R-3 proposal was so nice, the developer and others representing this rezoning request should build and live there. Another concern was that with such small lots there would be a big increase in water runoff which would cause flooding. Also, he was concerned about people parking in the street which would restrict emergency vehicles and could be dangerous for children trying to cross the street.

City Attorney Steve Tennant said parking issues could be resolved if there is a POA and if there are restrictive covenants that prohibit street parking.

Melissa McCarville explained that "no parking" signs could be installed and police can then enforce street parking.

Ladeana Mullinix - 270 Wolfe Lane: She said Double Springs Road will not be able to handle this large increase in traffic because it is becoming increasingly congested and dangerous now.

Beau Collins – 63 Sugar Pine: stated he had moved back to Farmington for the quiet, "feels like home" atmosphere. He believes R-3 zone is totally inconsistent with surrounding area surrounded by R-1 homes in all directions. He agreed that traffic problems will be dangerously increased by this rezoning.

Mr. Geoff Bates said there are duplexes down the hill, north, on Double Springs. He mentioned that a PZD (Planned Zoning Development) would better determine what could be put into a development.

Comments from the City: Melissa stated that they have submitted everything required of them.

Gerry Harris expressed concerns about the 35' frontage requirement and although that is not what is being proposed by this developer, if development was not done and another developer put R-3 homes on this property, they could use the 35' requirement. She reminded Commissioners that there have been times where property was rezoned and then the development was not done and something completely different was put in the rezoned area.

Chad Ball mentioned that Double Springs will be a problem until improved and thought perhaps street improvements should be done first, before further development. He questioned why developer had to have R-3 zoning instead of R-1 or R-2. Developer said the size of land and land costs prohibited building R-1 and R-2 size homes.

Judy Horne stated she had done a lot of research into locations considered appropriate for R-3 type zoning. Consistently, R-3 type of zoning is recommended for urban renewal areas, urban core of a large metropolitan area, or other tightly circumscribed, high density areas. But Farmington is not considered "high density" or "urban".

Robert Mann called the question to approve the Rezone request for 65 N. Double Springs Rd. Upon roll call, the ayes were: Jay Moore, Chad Ball, Bobby Wilson; the no's were: Howard Carter, Judy Horne, Gerry Harris and absent; Toni Lindsey. With a 3-3 tie vote, Chairman Robert Mann voted "Yes" and the motion passed by a 4-3 vote.

4C. Preliminary Plat for Engles Park Subdivision located at 65 N. Double Springs property owned by D & B of Northwest Arkansas as presented by Geoff Bates:

After passage of the rezoning request in 4C., the Preliminary Plat for Engles Park was considered.

Bleaux Barnes – 1008 Blue Sky Road described the 25-lot subdivision plan which will be single-family homes but placed on lots with the smaller-size setback requirement of R-3. The smallest lot will be 5,403 square feet and the largest lot will be 12,510 square feet. Homes would be a minimum of 1700 – 1800 square feet. The resulting density will be 5.29 units per acre. He said the exterior of the homes would be 75% masonry, would have architectural shingles and 2-car garage. He estimated the price would be in the \$225,000 range. Mr. Barnes is willing to put up a Bill of Assurance for what he plans to do.

Public Comment: Barbara O'Brien - 336 Ridgedale: asked if these would be owner occupied or lease/rentals? Robert Mann explained that this cannot be determined by city. Bleaux Barnes said the homes were not intended for lease but they would have no control over someone buying a house and leasing it.

Comments from the City:

Gerry Harris asked about sidewalks. The developer was planning sidewalks on one side of street only and would be willing to then put sidewalk on one side of Double Springs Road, but the commissioners indicated sidewalk should be on both sides of the street within the development.

Chad Ball did wish to see a bill of assurance and protective covenants included with the final plat. Also, he asked that the landscaping on Double Springs be low for pedestrian and driver visibility and safety. Wade Williams, who was also present for Engles Park proposal, said they will set the landscaping back for safety.

Chad Ball inquired about the detention pond located in southeast corner of the development and it will be responsibility of the POA to maintain. It will be fenced and landscaped per the city's ordinance.

Judy Horne requested that construction crews be asked to leave as much of existing trees and understory as possible to provide an additional buffer to the people on Ridgedale Drive and other existing homes.

City Engineer Chris Brackett said the Preliminary Plat for the Engles Park Subdivision has been reviewed and it is our opinion that the Planning Commission's approval should be conditional on the following comments:

- 1. The fire hydrant locations shown on the plat and the utility plans must be reviewed and approved by the Fire Department.
- 2. No on-street parking will be allowed within the subdivision.
- 3. The water and sewer improvements must be reviewed and approved by the City of Fayetteville Engineering Department and the Arkansas Department of Health prior to any further construction activities.
- 4. Payment in lieu of Park Land Conveyance will be required for this subdivision. This fee will be \$600 per single family unit. (\$14,400).
- 5. A completed Grading Permit Application and fee must be submitted prior to final approval of the plans. A preconstruction conference will be required prior to any mass grading on the site. The owner, their engineering consultant, and their contractor responsible for the best management practices will be required to attend this conference.
- 6. After a final review set of plans and drainage report has been approved by Olsson, the applicant should submit to the City three (3) sets of full-size plans and two (2) sets of half-size plans, and two (2)

more copies of the final drainage report that have been sealed by the engineer for final approval and distribution.

Robert Mann called the question to approve the Preliminary Plat for 65 N. Double Springs Rd contingent upon Chris Brackett's memo and Bill of Assurance. Upon roll call, the ayes were: Jay Moore, Chad Ball, Bobby Wilson, Howard Carter, Judy Horne, Gerry Harris and absent; Toni Lindsey. Motion passed unanimously.

Melissa McCarville reminded everyone that although this preliminary plat was approved at this meeting, it is still contingent upon the decision by the City Council at its December 10, 2018 meeting.

5. Adjournment: Having no further business, meeting was adjourned.
