Minutes of the Regular Farmington City Council Meeting July 14, 2014

The regular meeting of the Farmington City Council scheduled for Monday June 9, 2014 was called to order at 6:00pm by Mayor Ernie Penn. City Clerk Kelly Penn called the roll and the following Aldermen answered to their names: Patsy Pike, Sherry Mathews, Keith Lipford, Janie Steele, Bobby Morgan Terry Yopp and Shelly Parsley. Alderman Cunningham was absent. Also present were City Attorney Tennant and City Business Manager McCarville.

Approval of the minutes for Regular meeting June 9,2014 and Special Meeting June 23,2014 – On the motion of Alderman Yopp and seconded by Alderman Steele and by the consent of all members present, the minutes were approved.

Financial Reports – City Clerk Penn advised the council that city sales tax was up \$9,490.23, County sales tax was up \$1,942.93 for a total increase of \$11,433.16. Six month numbers were as follows, city sales tax was up \$41,448.59 and county sales tax was up \$4,329.04 for a total increase of \$45,777.63. Aldermen were provided a copy of the yearly for 2013 by Przybysz and Associates. The city had no deficiency in any area and were in compliance with all government audit requirements.

Entertain a motion to read all Ordinances and Resolutions by title only - On the motion of Alderman Yopp seconded by Alderman Lipford and by the consent of all members present, the motion was approved.

Proclamations, Special Announcements, Committee/Commission Appointments - None

Committee Reports

Parks & Recreation Committee – Mayor Penn advised that the property purchased by Kum & Go had been completed and he wanted the money to be reinvested into Creekside Park.

Historical Preservation Committee – They are working on the trains & railroad sections and are meeting with Bob Stark this week to go over some information.

Old Business

Ordinance 2014-05 Vacate right of way at the end of Bonnie Lane

On the motion of Alderman Lipford and seconded by Alderman Steele, Ordinance 2014-05 was placed on its third and final reading by title only. It was approved by all members present. City Attorney Tennant read the ordinance by title only. Mayor Penn asked shall the ordinance pass. It was approved by all members present.

New Business

Ozark Regional Transit to update the council in regards to public transit

Jeff Hatley, Public Information Office with Ozark Regional transit informed the council that the Farmington Route, Route 620, is now operational.

Request approval remove 11 portable Kenwood radios (city tag #'s 528, 532, 913, 937, 938, 943, 956, 957, 961, 981 & 1005); 2 Stalker handheld radars (city tag #'s 926 & 1002); VHS Surveillance system (city tag # 527); bail out system (city tag # 538) ;Ray Allen K-9 for magnum (city tag # 565)

On the motion of Alderman Yopp seconded by Alderman Mathews and by the consent of all members present, the motion was approved.

Request approval for change order on Holland Drive resurfacing.

On the motion of Alderman Yopp seconded by Alderman Lipford and by the consent of all members present, the motion was approved for the change order in the amount of \$6,118.50.

There being no further business to come before the council and on the motion of Alderman Yopp and seconded by Alderwoman Steele and by the consent of all members present, the meeting adjourned at 6:37 pm until the next regularly scheduled meeting to be held Monday August 11, 2014 at 6:00 pm, in the City Council Chambers in City Hall, located at 354 West Main Street, Farmington, Arkansas.

Approved;	
Mayor Ernie Penn	City Clerk Kelly Penn

Re: Request to bid culvert erosion project on Rheas Mill

Date: August 6, 2014

Recommendation

City staff recommends bidding this project as soon as possible.

Background

While looking over Rheas Mill Road for the overlay project an erosion issue was identified.

Discussion

We asked a contractor to take a look at the problem and give us a construction estimate. The estimate was over \$20,000 which requires engineering. We asked Terry Carpenter to come up with a design for the project. His plans are nearly complete so we would like permission to put the project out for bid. Terry will be present at the meeting to answer questions about the project.

Budget Impact

At this time we have only a rough estimate from the contractor of approximately \$30,000 +-. Engineering should cost an additional \$3,500-\$5,000. This is a street project and will come out of the repair budget for streets.

Re: Ordinance 2014 – 08 - Rezoning request for .353 acres on South Hunter

Date: August 5, 2014

I am providing you with some background information on this rezoning:

- This property was annexed into the City of Farmington in 2008. At the time of annexation it was zoned A-1.
- In March of 2011 the zoning regulations were changed. At that time, the property was rezoned R-1. (This was not a rezoning requested by the owner, the entire city was remapped to better accommodate current use.)
- On July 28th the planning commission considered the rezoning from R-1 to RO and voted unanimously in favor.

Other items you may want to consider:

- At this time you are only considering the rezoning.
- You are encouraged to drive by the location. (Map attached)

Pictometry Online Page 1 of 1

ORDINANCE NO. 2014-08

AN ORDINANCE REZONING PROPERTY CONTAINING .353 ACRES AT 403 S. HUNTER FROM R-1 RESIDENTIAL SINGLE FAMILY TO R-O, RESIDENTIAL-OFFICE DISTRICT AS REQUESTED BY EAGLE HOLDINGS, LLC

WHEREAS, the City of Farmington, Arkansas amended its official zoning and zoning map by Ordinance 2011-02 on March 14, 2011, which was filed for record in the Office of the Circuit Clerk and Ex-Officio Recorder for Washington County, Arkansas in File 2011-00017652; and

WHEREAS, certain property belonging to Eagle Holdings, LLC is zoned R-1; and

WHEREAS, after a public hearing on July 28, 2014, the Farmington Planning Commission voted during a regular meeting to rezone the property from R-1 to R-O.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FARMINGTON, ARKANSAS:

Section 1. That the zone classification of the following described property is hereby changed as follows:

From R-1, Residential Single Family to R-O, Residential-Office District, for the real property described in Exhibit "A", which is attached hereto and made a part hereof.

Section 2. That the official zoning map of the City of Farmington, Arkansas, is hereby amended to reflect the zoning change provided in section 1 above.

PASSED and APPROVED this 11th day of August, 2014.

Re: Ordinance 2014 – 09 - Rezoning request for 6.4 acres on Southwinds

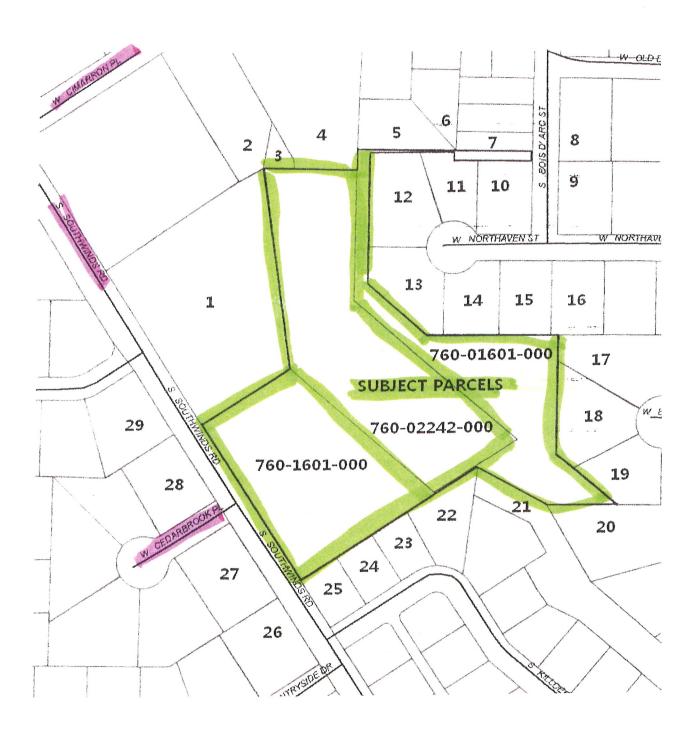

Date: August 5, 2014

I am providing you with some background information on this rezoning:

- As far back as 2004 this property was zoned RO. In 2004 RO zoning allowed multifamily developments.
- In June of 2006 a request for rezoning from RO to C-2 was considered. This request was denied by the planning commission.
- In July of 2006 the planning commission considered a request to allow "Restaurant" use in RO. This request was approved. However, the restaurant was never constructed.
- In March of 2011 the zoning regulation were changed and the current definition of RO was adopted. The definition is attached. MF-2 was also adopted at that time. The definition of MF-2 is also attached.
- On June 23, 2014 the Farmington Planning Commission held a public hearing considered the rezoning request before you. After the public hearing was closed the planning commission voted to table the item until the July meeting.
- On July 28th the planning commission took up the item again. The planning commission approved the request with four votes for and two voting against.

Other items you may want to consider:

- At this time you are only considering the rezoning.
- You are encouraged to drive by the location. (Map attached)
- The Large Scale Development Plan for this project must come before the planning commission for review. Adjacent property owner notification will be completed again at that time.
- Our engineer will also review the plan for compliance with all or our development rules. He will also address any flood plain issues. If the design standards are passed tonight they will also have to be adhered to for this development.

single-family residential development on low density, large estate type lots to provide and preserve a rural environment.

Permitted uses include single-family dwelling and accessory building, agriculture, private stable and/or corral, cemetery, golf course (excluding miniature), parks, and essential government facilities.

Conditional uses include churches and schools, educational facilities: public or private; private parks, public utility and child care family home.

(3) RE-2 Residential Estate District. The purpose of this district is to accommodate single-family residential development on low density, large estate type lots. This zone is intended to help preserve rural/estate character and provide for rural amenities with the primary residential nature of the zone.

Permitted uses include single-family dwelling and accessory building; or agriculture, cemetery, golf course (excluding miniature), private stable and/or corral, parks, and essential governmental facilities.

Conditional uses include churches and schools, educational facilities; public or private, private parks, public utility and child care family home.

(4) R-1 Single-Family Residential. The purpose of this district is to accommodate single-family residential uses on residential lots of at least 10,000 square feet.

Permitted uses include single-family detached dwellings and essential governmental facilities and services.

Conditional uses include utility facilities such as electric regulating stations or pressure control stations and child care family home.

(5) R-2 Single-Family Residential. This district is intended to principally provide single-family residential use on moderately sized, medium-density lots of at least 7,500 square feet.

Permitted uses include single-family detached dwelling and essential governmental facilities and services.

Conditional uses include utility facilities such as electric regulating stations or pressure control stations and uses customarily accessory to appeal uses or child care family home.

(6.) R-O Residential-Office District. The purpose of the Residential-Office District to is to provide areas within the city for the placement of offices or offices and residential in combination; to recognize existing offices and in some cases encourage their expansion and to provide a transition use from residential to commercial.

Permitted uses include business and professional offices, business and professional services; art and teaching studios, barber and beauty shops, single-family in combination with any of the above uses, duplexes, multi-family, veterinary clinic with no overnight accommodations, governmental offices, essential governmental facilities and services and uses customarily accessory to permitted uses.

Conditional uses may include child care family home and utility facilities such as electric regulating stations or pressure control stations.

Occupation permitted in residential structures utilized for residential purposes in the residential and agricultural districts. An occupation may be carried on in a residential structure in the R-O and A-1 Districts only when:

- (A) Does not require the use of more than fifteen (15) percent of the living area.
- (B) Does not require the use of an accessory building or yard space or any activity outside the main structure not normally associated with the residential uses.
- (C) Does not have a sign in excess of four square feet in area to denote the business, occupation or profession, and such sign must be attached to the structure.
- (D) Does not involve the outside display of goods and services.
- (E) The person operating the home occupation must be the person residing in the residential structure.
- (F) The person requesting a home occupation shall submit a request for the proposed use to the Planning Commission for approval.
- (7) MF-1 Single and Multi-family Residential. This district is characterized by single and multi-family residential development on medium-density lots of at least 7,500 square feet. As with other residential zones, this district also serves as a buffer in providing for a graduation in intensity from higher to lower density residential development.

Permitted uses include single-family detached dwelling, multi-family units, and essential governmental facilities and services.

Conditional uses include churches and schools, and utility facilities such as electric regulating stations or pressure control stations.

(8) MF-2 Multi-Family Residential. The purpose of this district is to provide for high density residential development for attached living complexes. A minimum of 6,000 square feet of land is required for each dwelling unit. Municipal utility services must be available to be zoned in this classification.

Permitted uses include multi-family units and essential governmental facilities and services.

Conditional uses include utility facilities such as electric regulating stations.

(9) MHP Mobile Home Park District. The purpose of the Mobile Home Park District is to provide areas within the city for the placement of mobile homes; to recognize existing mobile home parks and to allow for their expansions or the establishment of new facilities; and to provide a variety of housing types for all income levels.

Permitted uses shall include mobile homes, laundry facilities (for the mobile home park only), special recreation facilities, essential government facilities and services and uses customarily accessory to permitted uses.

From: Melissa McCarville

Re: Ordinance 2014-10 – Adopt Design Standards for Multi-Family Housing

Date: August 6, 2014

Recommendation

Planning Commission voted unanimously to send this forward for your approval.

Background

Planning Commission has been working on this for several months. Copies have been available for public view and a public hearing was held on July 28, 2014.

Discussion

The Planning Commission wanted to implement standard that would control how development looks. Several months ago we adopted a landscape ordinance and this is the next step. Some additional items were discussed at the public hearing regarding garages and off street parking; these items will be added to the standards. An amended version will be available Monday at the meeting.

Budget Impact

No budget impact.

ORDINANCE NO. 2014-10

AN ORDINANCE AMENDING THE CODE OF ORDINANCES, CITY OF FARMINGTON, ARKANSAS DESIGN STANDARDS FOR MULTI-FAMILY HOUSING, PROVIDING FOR THE EMERGENCY CLAUSE AND FOR OTHER PURPOSES

WHEREAS, the Farmington Planning Commission believes it to be in the best interest of the citizens of the city to adopt design standards for multifamily housing; and

WHEREAS, three copies of these standards have been available for inspection and copying at the office of the City Clerk prior to adoption of this manual.

WHEREAS, a public hearing was advertised as required and held at the Planning Commission meeting on July 28, 2014.

NOW, THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FARMINGTON, ARKANSAS:

Section 1: The City has published a notice as required by law to adopt the Design Standards for Multi-Family Housing as a technical code. The City has had and shall continue to have three copies of Design Standards for Multi-Family Housing on file in the office of the City Clerk for inspection and copying by the public.

Section 2: That the Design Standards for Multi-Family Housing, as approved by the Farmington Planning Commission, is hereby adopted by reference.

<u>Section 3:</u> When reference is made within the Code to the duties of certain officials named therein, the designated official for the City of Farmington, Arkansas shall be the Building Official or his/her designee.

<u>Section 4:</u> Repealing Clause. All other ordinances and parts of ordinances in conflict herewith are hereby repealed.

<u>Section 5:</u> Severability Clause. In the event any part of this Ordinance is declared inoperative or invalid as a result of a statute or judicial decision, then only that portion expressly so declared to be inoperative or invalid shall be affected thereby and all other provisions hereof shall remain in full force and effect.

<u>Section 6:</u> Emergency Clause. That the City Council of the City of Farmington, Arkansas further determines that this Ordinance is necessary to adequately and properly provide guidelines for development of multi-family housing; therefore an emergency is hereby declared to exist and this Ordinance shall be in full force and effect from and after its passage and approval.

PASSED AND APPROVED this 11th day of August, 2014.

DESIGN STANDARDS FOR MULTI-FAMILY HOUSING IN MF-1 AND MF-2 ZONES

ARTICLE I. STATEMENT OF PURPOSE

The multi-family housing standards set forth herein are enacted to:

- (1) Establish standards for the orderly development and redevelopment of multifamily housing that positively impacts the general welfare, health and safety of the citizens of Farmington.
- (2) Foster the land use and development of land in an orderly manner by both private and public interests in the City of Farmington, which directly affects the economic value of said property as well as adjacent and surrounding properties.
- (3) Preserve, protect and encourage the development of buildings, groups of buildings, and development sites that have distinguished architectural character and provide an attractive view to adjacent properties.

ARTICLE II. GENERAL PROVISIONS

A. PURPOSE

These standards serve four (4) basic purposes:

- (1) Quality Development Use quality materials that will not rapidly decay, and a design that ensures ample privacy, parking, safety and other amenities for residents.
- (2) Neighborhood Community-building Provide places for residents to meet and visit, and safe places for children to play.
- (3) Contribute to an attractive streetscape Provide buildings with architectural detailing, attractive entries and landscaping that adds color and enhanced appearance, that results in pride within the multi-family neighborhood and adjacent properties.
- (4) Enhanced Security Utilize building design that reduces opportunity for criminal behavior and fear of crime by providing:
- a. Natural surveillance Arrange buildings and space so residents can easily observe their surroundings.
- b. Natural access control Safe placement of walkways, building entrances, fences, gates, landscaping, lighting and clearly defined property boundaries to deter entrance by unauthorized persons.

c. Maintenance – Ensure that buildings and grounds are maintained for resident's safety and neighborhood aesthetics.

B. APPLICATION

The provisions of this ordinance shall apply to all MF-1 and MF-2 multi-family developments on a single lot or on a multi-acre tract throughout the City of Farmington and that meet one (1) or more of the following thresholds:

- (1) All new construction requiring building permits; and/or
- (2) Addition or alterations to a building or site, excluding interior-only improvements, which total fifty percent (50%) or more of the gross square footage of the existing building(s) or site.

C. EXEMPTIONS OF ORDINANCE NO.

From and after the effective date, the provisions herein shall apply to all multi-family development plans that are pending before the Farmington Planning Commission. Multi-family development plans that have received final approval of the planning commission prior to the effective date of Ordinance No. _____ shall be constructed and maintained pursuant to the ordinances in effect at the time of the final approval.

D. REVIEW PROCESS

These Multi-Family Residential Design Standards shall be applied in the review process for large scale and non-large scale developments. Developer shall submit a site analysis, a project plan, and a landscape plan for review and approval by the planning commission.

E. VARIANCES AND MODIFICATIONS ALLOWED

The planning commission may approve variances to depart from the literal requirements of this ordinance, where strict enforcement of said requirements would cause undue hardship due to circumstances unique to the individual property under consideration, and the granting of such variance is demonstrated to be within the spirit and intent of the provisions of this ordinance. The planning commission may grant requests for variances of any requirements of this ordinance according to the following guidelines:

- (1) The planning commission may modify such requirements to the extent deemed just and proper so as to relieve such difficulty or hardship, provided that such relief will not be detrimental to the public interest or adjacent properties.
- (2) When the applicant can show that his or her property was acquired in good faith and where by reason the strict application of such provisions would prohibit or unreasonably restrict the use of the property, and the planning commission is satisfied that granting a variance would alleviate a

- demonstrable hardship, as distinguished from a special privilege sought by the applicant, such variance may be granted, provided that all variances shall be in harmony with the intended purpose of this ordinance.
- (3) Appeal from decision. The planning commission's decision may be appealed to the Farmington City Council by providing a written notice to the Farmington Business Manager within thirty (30) days of the planning commission's decision.

ARTICLE III. DESIGN STANDARDS

A. SITE PLANNING

Developers must submit a site plan to the city's engineer and the planning commission that conforms to the design standards contained in this article.

B. BUILDING DESIGN

- (1) Walls and Façades. A single uninterrupted length of a building façade shall not exceed fifty feet (50'). Recesses, off-sets, angular forms, curved or stepped walls, projecting vestibules from the plane of the wall, or other features shall be used to provide a changing and visually interesting shape. Vertical elements such as towers, cupolas, and chimneys are recommended.
- (2) Windows. The approximate size, orientation and spacing of windows shall match that of buildings within five hundred (500) feet, unless existing buildings do not meet the design standards of this ordinance. Windows are permitted with a width-to-height ratio of between one (1) to one (1) and four (4) to one (1). Vertical windows are permitted with a maximum width-to-height ratio of one (1) to two (2). Windows should be recessed and include visually obvious sills. Spaces between windows should be formed by columns, mullions, or material found elsewhere on the façade.
- (3) Rooflines. Rooflines should be consistent with the surrounding neighborhood character. Pitched roof forms (gable, hip, shed) with overhanging eaves should be used with between five inches (5") of vertical rise to twelve inches (12") of horizontal run, and twelve inches (12") of vertical rise to twelve inches (12") of horizontal run. Steel roofing may be permitted. Mansard, mock mansard, or barrel roofs are prohibited. Distinctively shaped roof forms, detailed parapets, and exaggerated cornice lines shall be incorporated into rooflines along building façades greater than one-hundred feet (100'). Roof top mechanical equipment shall be screened by the roof form.
- (4) Main Entrances. Main entrances should be emphasized with larger doors and framing devises such as deep overhangs, recesses, peaked roof forms, porches or arches.

- (5) Gutters and Downspouts. Gutters and downspouts shall be required on all multi-family buildings.
- (6) Privacy fences are required between each multi-family unit in a development and between adjacent properties.
- C. BUILDING MATERIALS Multi-family buildings must be constructed with the following recommended and acceptable building materials. All ground floor levels must be of recommended materials. All façades must be a minimum of fifty percent (50%) recommended materials with the balance being of one or more acceptable materials. Gable and window areas are excluded from this calculation.
 - (1) Recommended Materials brick masonry; concrete masonry; or stone.
 - (2) Acceptable Materials -- split face, scored, or ground face block; cementacious fiberboard siding, EIFS, vinyl siding, aluminum siding.
 - (3) Prohibited Materials -- smooth face block and metal siding.
 - (4). Other materials not listed above may be approved by the planning commission on a case by case basis.
 - (5) Colors the following natural colors should be used for the main portions of the building façades and roof forms: neutral earth tones (sand to brown); shades of gray; traditional colors (e.g., brick red, forest green, navy blue); light, subdued hues (e.g., salmon); or white.

Contrasting, accent colors which are compatible with the primary colors listed above are encouraged for trim, accent, and other decorative architectural features. The use of bright or fluorescent colors (e.g., purple, orange, pink, lime, and yellow) is prohibited.

D. PRIVATE OUTDOOR SPACES -- outdoor porches, patios, screened private areas are encouraged.

E. ACCESSORY STRUCTURES

- (1) Intent the following standards are intended to integrate accessory structures into the overall design of a multi-family development in order to be compatible with the residential buildings.
- (2) Design Compatibility Required detached garages and other accessory structures, including but not limited to grouped mailboxes, storage and maintenance facilities, recreation facilities, picnic shelters, and gazebos, shall incorporate compatible materials, colors, architectural details, and roof slopes as the primary multifamily building(s), except that flat and shed roofs are strictly prohibited.

(3) Articulation of Rear Walls – rear walls of detached garages that back onto the perimeter street shall be articulated through the use of one or more of the following elements: windows, a trellis, or a variety of roof planes.

F. LANDSCAPING AND SCREENING

- (1) INTENT Landscaping, which is a visible indicator of a quality development, shall be an integral part of every multi-family project. The multi-family site plan shall provide for and comply with Ordinance No. 2013-03.
- (2) PARKING LOT LANDSCPAING Landscaping for parking lots must be designed in conformation with Article VII of Ordinance 2013-03.
- (3) SERVICE AREA SCREENING Trash/Garbage areas shall be designed and constructed in conformation with Article V, Section M of Ordinance No. 2013-03.
- (4) MECHANICAL/UTILITY EQUIPMENT SCREENING shall follow the requirements found in ARTICLE V GENERAL PROVISIONS, Section N Mechanical Equipment Screening, of the City of Farmington Landscaping Ordinance. Mechanical and utility equipment shall be screened in conformation with Article V, Section N of Ordinance No. 2013-03.

G. LIGHTING

- (1) INTENT Lighting design should provide for security and aesthetic appearance while avoiding glare, excessive brightness, and light spillover; provide attractive lighting fixtures and layout patterns that contribute to a unified exterior lighting design; and provide exterior lighting that promotes safe vehicular and pedestrian access to and within a development, while minimizing impacts on adjacent properties.
- (2) PLAN REQUIRED Developer shall submit a detailed lighting plan for all multifamily projects.
- (3) DESIGN OF FIXTURES/PREVENTION OF SPILLOVER GLARE Light fixtures shall use full cut-off lenses or hoods to prevent glare and light spillover glare onto adjacent properties, buildings, and roadways. Outdoor floodlighting with mercury vapor lamps, high pressure sodium and pulse-start metal halide lamps is strictly limited to roadways and parking lots.

(4) EXTERNAL ILLUMINATION FOR SIGNS - JUDY WILL SEND THIS LATER TUES. AFTERNOON

(5) PEDESTRIAN WALKWAY LIGHTING – Pedestrian level, bollard lighting, ground-mounted lighting, or other low, glare-controlled fixtures mounted on building or landscape walls shall be used to light pedestrian walkways.

- (6) LIGHTING HEIGHT light poles, and lighting structures shall be no more than twenty feet (20') high. Bollard type lighting shall be no more than four feet (4') high. Building-mounted lighting shall be limited to accent lighting used to illuminate architectural features with a maximum height of twenty feet (20'). Building mounted lighting shall not be used to illuminate roadways and parking lots. Interior and exterior lighting shall be uniform to allow for surveillance and avoid isolated areas.
- (7) ILLUMINATION LEVELS pedestrian areas, driveway, and parking areas shall be illuminated for safety and security purposes with proper shielding to prevent over-lighting and spillover glare onto adjacent properties.
- a. Roadway lighting and parking lot lighting shall not exceed 250 watts (approximately 3,000 lumens) and the lamp shall be fully shielded.
- b. Building-mounted fixtures not specifically intended for roadway lighting, parking -lot lighting, or facade lighting, shall not exceed 100 watts (approximately 1,600 lumens) light output and the lamp shall be fully shielded.
- c. Façade lighting fixtures shall be the lowest watt/lumen possible and shall be shielded to reduce upward glare, sky glow, and light spillover.
- d. Ornamental lighting fixtures shall allow no more than 40-60 watts (approximately 450-800 lumens) from the fixture above a horizontal plane through the fixture 's lowest light emitting part.
- (8) MOTION-SENSOR LIGHTING Incorporate motion-sensor lighting that extinguishes lights no more than 15 minutes after an area is vacated, when feasible.
- (9) COLOR OF LIGHT SOURCES lighting fixtures shall be color-correct types to ensure true color at night and ensure visual comfort for pedestrians.
- (10) VARIANCES The Farmington Planning Commission may allow variances from this ordinance when strict enforcement may be impractical or unnecessary.

H. MAINTENANCE FOR GOOD APPEARANCE

(1) INTENT – It is the intent of these guidelines and standards to ensure that buildings and grounds are maintained for resident's safety, neighborhood aesthetics, and to reflect positive building management.

(2) SITE MAINTENANCE

a. Landscape materials, other than vegetation, which have deteriorated or have been damaged or defaced, shall be properly repaired or replaced.

- b. Plants that have deteriorated or died shall be replaced.
- c. Use of xeriscape plant materials is strongly encouraged.
- d. Plant materials shall be watered, fertilized, cultivated, and pruned as needed to maintain a healthy and well-groomed appearance.
- e. Plant materials shall be pruned as necessary throughout the year to create neat landscaping appearance and to allow clear, unobstructed pedestrian walkways.
- f. Parking areas shall be kept in good repair, properly marked, and clear of litter and debris, and any over-hanging tree limbs shall be removed.
- g. Open space shall be kept fee of refuse and debris, and shall have the vegetation cut periodically during growing seasons.
- h. Vegetation and landscaping shall be maintained so it does not obstruct security lighting.
- i. All required screening shall be kept in good repair and graffiti free.
- i. All required signage shall be kept in good repair.
- 3. BUILDING MAINTENANCE
- a. Buildings and appurtenances, including signs, shall be cleaned, painted and repaired as required to present an attractive, well-kept appearance.
- b. Deteriorated, worn, or damaged buildings and appurtenances shall be rebuilt or replaced.
- c. Building signs and numbers shall be repaired or replaced to maintain identification of all structures.
- d. Any and all graffiti shall be promptly removed.

ARTICLE IV. DEFINITIONS

For the purposes of this ordinance, certain terms or words used herein shall be interpreted as follows:

The word "person" includes a firm, association, organization, partnership, trust, company, or corporation as well as an individual.

The present tense includes the future tense, the singular number includes the plural, and the plural number includes the singular.

Accessory Structure – a structure detached from a principal building and customarily used with, and clearly incidental and subordinate to, the principal building or use, and ordinarily located on the same lot site or with such principal building.

Character –attributes, qualities, and features that make up and distinguish a Development project and give it a sense of purpose, function, definition, and uniqueness. City – City of Farmington, Arkansas

Façade – any side of a building that faces a street, drive or other open space. The front façade" is the front or principal face of a building, generally defined by the location of the majority of public entrances into the building.

Fence – a man-made barrier of any material or combination of materials erected to enclose, screen or separate areas.

Garage –accessory building or portion of a main building primarily used for storage of motor vehicles. A "garage" is enclosed on more than three sides, so that the stored or parked car is contained entirely inside the building.

Guidelines – advisory regulations, indicated by use of the terms "may" and "should".

Porch – Any gallery, veranda, terrace, piazza, portico or similar projection from the main wall of a building and covered by a roof, other than a carport, with no opaque side enclosures except screens and handrails.

City Business Manager Report August 2014 City Council Meeting

- Please attend the WalMart grand opening on August 13th at 7:30 a.m.
- Kum & Go has closed on their property. They have applied for a demolition permit. The building permit has not been issued yet.
- Several Planning Commission referred items on your agenda this time.
- There will be public meeting to discuss the regional Bike/Ped plan: Monday August 11: Bentonville Public Library 4:00pm-7:00pm, Tuesday August 12: Fayetteville Public Library 4:00pm-7:00pm Thursday August 14: Siloam Springs City Hall (Board Room) 4:00pm-7:00pm. You are welcome to attend any of these meetings. Links to the plan can be found at: http://www.nwabikepedplan.com/. I'm attaching the portions of the plan that are relevant to Farmington. If you have questions let me know.

Plan your work for today and every day, then work your plan.
~Margaret Thatcher

MAP 6.9 FARMINGTON COMMUNITY PLAN

Key Needs & Recommendations for Farmington

Topic	Key Needs & Notes
Regional Needs	» Connect Mt. Kessler and the developing City of Fayetteville regional park; connect to Fayetteville and Prairie Grove.
Other Key Needs	 Connect schools. Link residential areas to developing town center. Link to grocery store. Connect parks.
acility Recommendation	Recommendation Detail
Sidewalks	» Farmington has a strong sidewalk network especially in newer developments. Continue building sidewalks with new developments and create additional linkages as the shared use path and sidepath network develop.
Intersections	 AR 62 Crossings: Several signalized intersections exist with high visibility crosswalks and pedestrian countdown signals. Consider adding median pedestrian island in center of AR 62. Add crossing treatments at the Broyles Street and Holland Drive intersections as the trail network develops. Town center: Add crossing facilities at Cimarron Way and Southwinds Road as town center develops.
On-Street Bike Facilities	» Shared Roadways – Mt. Kessler and developing regional park: Links to potential Mt. Kessler and regional park access points should be highlighted for bicycle passage.
Shared Use Facilities	 Shared Use Path – Farmington Branch: Develop a shared use path along Farmington Branch, connecting local parks, residences and ultimately connecting Farmington toward Fayetteville. Shared Use Path – AR 62 undercrossing: Develop a shared use path extending south from Farmington Branch and utilizing culvert space under AR 62. This provides a safe undercrossing of AR 62. Shared Use Path/Sidepaths – Schools and town center links: Develop shared use path and sidepath network to thoroughly connect schools, parks and the town center. Soft Surface Shared Use Paths – Mt. Kessler and developing regional park links: Develop connection opportunities to the east side of Farmington.
Other Topics	Notes
Multi-Modal Connections	» Farmington is not directly connected by public transit. Ozark Regional Transit serves the urban NWA corridor.
Heritage Trail	» The NWA Heritage Trail connects east/west and north/south through the heart of Farmington. It links Farmington with Fayetteville and Prairie Grove.

Program & Policy Recommendations

The table below presents a summary of recommendations organized by category which identifies the recommended program, time-frame for implementation, and lead entity. The table identifies Bronze (short-term), Silver (mid-term) and Gold (long-term) actions that can help achieve recognition as a Walk and Bicycle Friendly Community.

For many of these actions, there is an opportunity for the communities of the region to share resources, with individual communities participating in regional programs, attending trainings or meetings convened at the regional scale, or implementing regionally developed programs at the local level. Refer to Appendix D for detailed guidance on implementing each item, including a description of recommended actions, regional and local roles, as well as sample programs.

Program	Term	Lead Entity
Engineering		
Complete Streets Policy	Medium	City of Farmington
ADA Transition Plans	Medium	City of Farmington

July 2014 Monthly Report for Mayor and City Council

July was a good month for the fire department, the weather has been great, we have had considerable amount of rain that we don't usually get this time of year. Everything is green and the cooler weather has been just what the doctor ordered. I am sure that this can't continue like this for ever but it has been welcomed for sure.

We had a pretty busy month for calls in that we had 63 calls for service this month and again most of these were medical calls.

We had a good Fourth of July fireworks display without any major incidents, thanks to the good weather again, everything was still green. We only had one fireworks tent this year because most of them are going to Fayetteville.

The new Walmart Neighborhood market is about to open, and we have inspected it and all the firefighters have toured it and it is going to be a great new business for the city and its citizens.

Pete and I attended the Mid States Fire Conference that was held here in Rogers and we learned a lot and got to hear several different speakers speak on leadership, also on new ways of fighting fires.

Thank you for your continued support of the fire department;

Mark Cunningham Fire Chief

Journal from 7/1/2014 at 07:00 to 7/31/2014 at 20:00.
